A large barn belonging to Nelson Larow in North Goshen was burned to the ground Sunday night at about 12 o'clock. The loss will be large to Mr. Larow as all of his hay and grain and some farming tools were burned.

A cyclone passed over Champlain about four miles south of West Milton Wednesday evening. It did not strike the earth until it reached John Crockett's place, where it tore one barn in pieces, entirely destroying it and taking half the roof from another barn. Some of the debris was carried 30 to 40 feet in the air. The storm went in a southerly direction.

On a recent visit to Smugglers' Notch it was found that agents for a firm of florists in Massachusetts had collected some of the rare plants of the place to such an extent that they seem likely to be exterminated. Especially is this true of brain's shield fern, a noble and characteristic fern, which formerly abounded in the base of the notch but now is very hard to find.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which, despite the most beneficent environment of soil-of sunshine-and of atmosphere, seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

opening. The man fell a distance of more than 15 feet and one of his legs was broken so badly that the bones came through the skin at the knee. He was also badly bruised and cut about the head and face. Erwin was picked up by the employees and a physician was summoned. The man was removed to his home.

Dennis Souci, who is employed in the washers at the Winooski woolen mill, was injured Tuesday morning, his foot being badly mangled by coming in contact with the chains which draw the cloth through the washers. A small bone was broken in the foot just above the instep.

The difficult work of making the large cut near the Southworth farm in Bethel for the new granite railway is causing some delay in the laying of the rails. The work on the cut has been progressing for several months and an artificial valley of considerable size has been hewn out of what is practically solid rock. This work is nearly completed with only a few more feet to be excavated. The farmers who are obliged to use the highway now used by the granite teams are anxiously waiting the completion of the railroad so that the highway may be put into passable shape. The heavy rains combined with heavy granite traffic have cut the Christian hill roads up badly.

Attacked by a Mob

and beaten in a labor riot until covered with sores, a Chicago street car conductor applied Bucklen's Arnica Salve and was soon sound and well. "I use it in my family," writes G. J. Welch of Tekonsha, Mich., "and find it perfect." Simply great for cuts and burns. Only 25c at the Red Cross Pharmacy and Parlor Drug Store.
